PROFILE

I'm trying to get my first job as Python developer, I know how to use JavaScript too, but I prefer to use Python and all its frameworks. I like the BackEnd, but I can do the FrontEnd just fine. I am looking for a company where I can continue progressing in the long path of learning as a python developer.

EMPLOYMENT HISTORY

Trader Forex

Barcelona

2018 — Aug 2022

I was trading currency pairs on F.orex, IC markets, and binance

EDUCATION

Technique school

Temperley

2011 — Dec 2014

Technical development school, I did the full 4 years.

In this school there is an introduction to application development.

Also they teach you to use the Terminal, binary numbers, excel, and more computer tools

Python Developer, Udemy

Jul 2022 — Apr 2023
